"Terrific . . . Easily the most purely entertaining novel I have read so far this year" David Mills, The Sunday Times "A really excellent suspense novelist" Stephen King The second volume of Pierre Lemaitre's enthralling, award-winning between-the-wars trilogy In 1927, the great and the good of Paris gather at the funeral of the wealthy banker, Marcel Péricourt. His daughter, Madeleine, is poised to take over his financial empire (although, unfortunately, she knows next to nothing about banking). More unfortunately still, when Madeleine's seven-year-old son, Paul, tumbles from a second floor window of the Péricourt mansion on the day of his grandfather's funeral, and suffers life-changing injuries, his fall sets off a chain of events that will reduce Madeleine to destitution and ruin in a matter of months. Using all her reserves of ingenuity, resourcefulness, and a burning desire for retribution, Madeleine sets about rebuilding her life. She will be helped by an ex-Communist fixer, a Polish nurse who doesn't speak a word of French, a brainless petty criminal with a talent for sabotage, an exiled German Jewish chemist, a very expensive forger, an opera singer with a handy flair for theatrics, and her own son with ideas for a creative new business to take Paris by storm. A brilliant, imaginative, free-falling caper through between-the-wars Paris, and a portrait of Europe on the edge of disaster. Translated from the French by Frank Wynne From the reviews for The Great Swindle "The most purely enjoyable book I've read this year" Jake Kerridge, Sunday Telegraph "The vast sweep of the novel and its array of extraordinary secondary characters have attracted comparisons with the works of Balzac. Moving, angry, intelligent - and compulsive" Marcel Berlins, The Times

The New York Times bestselling author J.A. Jance returns with the thirteenth pulse-pounding thriller in the “engaging and entertaining” (Los Angeles Times) Ali Reynolds series. After taking down the man responsible for his best friend’s death, Stuart Ramey believes the case is finally closed. That is, until Stu discovers he’s been left with a multimillion dollar fortune in Bitcoin in a desperate attempt by Frigg, a rogue A.I. program created by the killer, to keep itself from being fully deactivated. To take Frigg down for good, Stu enlists the help of Ali Reynolds and the rest of his cyber security colleagues at High Noon Enterprises. But they are not the only ones who know about Frigg’s existence. Graciella Miramar, an unassuming accountant to all appearances, is actually the right-hand woman to El Pescado, the leader of a dangerous drug cartel. She’ll do anything to get her hands on that program. With Frigg’s help, Graciella hopes to take over El Pescado’s criminal underworld and become wealthy beyond her wildest dreams. But Stu-and El Pescado and his henchmen-may not be so easily defeated. As the “grand master of the game” (The Providence Journal), J.A. Jance crafts another electrifying thriller that shows that everything has its price.
