The Barbican Centre is a performing arts centre in the Barbican Estate of the City of London and the largest of its kind in Europe. The centre hosts classical and contemporary music concerts, theatre performances, film screenings and art exhibitions. It also houses a library, three restaurants, and a conservatory. The Barbican Centre is member of the Global Cultural Districts Network.

Barbican Centre - Wikipedia

Water Resources Engineering is a textbook that can be used for the first undergraduate courses in hydraulics, hydrology, or water resources engineering and for upper level undergraduate and graduate courses in water resources engineering design. This text is also intended as a reference for practicing hydraulic engineers, civil engineers, mechanical engineers, environmental engineers, and ...
